

Greek Desk

Bridging Greece and the Benelux
with expert legal guidance

Foreword

Composed of Greek-qualified attorneys ("Δικηγόροι") with deep knowledge of Greece's regulatory and cultural nuances, as well as those of the Benelux countries, the Greek desk provides tailored legal solutions. The desk collaborates closely with trusted local law firms in Greece to ensure comprehensive support.

Our Greek Desk provides tailored guidance across various sectors, with a particular focus on **corporations, financial services, capital markets, shipping, energy, private wealth, private equity and investment management**. Whether advising on complex transaction structures, regulatory compliance, or market entry strategies, our team is committed to helping clients capitalise on opportunities and manage challenges in their cross-border activities.

Our services include

- Structuring and financing of cross-border transactions
- Regulatory advice tailored to Greek and Benelux requirements
- Guidance on mergers & acquisitions and private equity
- Support with compliance and tax structuring for businesses and private clients
- Expertise in shipping and maritime transactions, including ship financing
- Fund formation (fund structuring, establishment and launch)
- Regulatory advice
- Fund finance
