welcome

AKD is one of the largest independent law firms in the Benelux. With a team of over 600 committed lawyers, civil-law notaries, tax lawyers and support staff, we deliver high-quality legal, regulatory and tax services in all industry sectors, based on a full-service approach. Our client base varies from large multinational companies (including stock-listed entities and family-owned businesses) to high-net-worth individuals, and from financial institutions to asset managers and investment funds, to municipalities and hospitals.

International

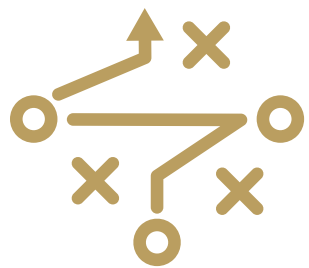

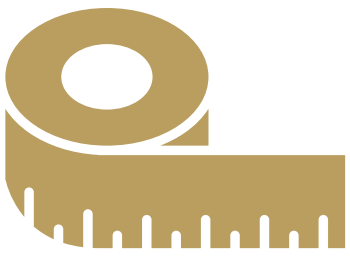

With offices in Belgium, the Netherlands and Luxembourg, AKD offers integrated, independent and international legal, regulatory and tax services in stable jurisdictions. Business arrangements, financial structures and digitalisation readily transcend international boundaries. Our specialists look across borders and beyond the confines of their own disciplines in order to ensure seamless end-to-end service. Outside the Benelux, to meet the needs of our international clients, we rely on our extensive network of highly reputable partner law firms in order to form fully integrated, experienced and multidisciplinary teams assisting our clients to do business around the globe.
