About Frenk Huisman

Frenk Huisman is a partner at AKD. He is a real estate and construction law specialist, acting mainly for international investors, developers and corporates in the financial, TMT, energy, and infrastructure industries.

His practice focuses on real estate investment, portfolio management (including commercial leasing) and property development and construction (Turnkey, EPC, DBFM(O), PPP).

Frenk was based in the Middle East for a number of years and gained valuable experience in property development and projects work in various industry sectors.

Frenk is ranked and recommended as a leading practitioner in Chambers and Partners 2022 and The Legal 500 2022 as 'Recommended lawyer' & 'Leading individual'.
