

About Olivier Belleflamme

Olivier Belleflamme is an attorney-at-law at AKD in the IP, IT and Data Protection team and a member of the French Brussels Bar since 2018.

Olivier advises a variety of clients in resolving legal issues and drafting or revising contract and terms & conditions in intellectual property, information technology and data protection.

In these fields Olivier also assists clients in compliance exercises, during the performance of audit and in dispute resolution from the negotiation stage to the litigation before Belgian courts or authorities.
