### About Ralph Ledebøer

Ralph is a seasoned Corporate/M&A lawyer with over a decade of experience guiding clients through complex transactions and strategic growth. He advises on public and private M&A, joint ventures, corporate governance, and general corporate matters. He has a track record in public company matters, including equity capital markets. As a result of his professional background, Ralph is well-versed on the private capital side in buyouts, growth investments and venture capital. He represents founders, private capital firms and other investors.

Ralph brings a client perspective. Prior to joining AKD he was Head of Legal & Procurement at an emerging e-commerce platform active in Europe and the United States. He also worked as Senior Associate at another leading international law firm. This experience allows him to combine legal and strategic angles with a practical hands-on approach and a laser focus on results for AKD's clients.
