About Remco Bosveld

Remco Bosveld is a partner and civil-law notary at AKD who specialises in corporate governance, corporate law, mergers and acquisitions, corporate structuring and capital markets. Remco's clients include listed and non-listed companies, international businesses, media and entertainment conglomerates, travel organisations and banks.

Remco has more than twenty-five years of experience with company reorganisations, restructurings, setting up joint ventures, mergers and demergers. He has also supervised takeovers, divestments, share capital and debt issuances and bonds and debenture loans.

Remco has recently advised:

- The offeror on a public offer made for Euronext Amsterdam-listed Hydratec and its potential delisting
- Competing offeror on the potential EUR 2bn+ interloper public bid for AMS-listed Intertrust, a corporate services provider
- Digital geo-data provider GeoJunxion, listed on Euronext Amsterdam, on its take-private sale to a consortium of two private equity funds and its subsequent dissolution and delisting
- Euronext Amsterdam listed Neways on the unsolicited public offer by VDL and the subsequent, recommended, public offer by Infestos
- A Nasdaq Stockholm listed software company on various acquisitions
- A Nasdaq Helsinki listed company and its subsidiary on the acquisition of businesses in industrial lubricants
- A global player in the maritime sector on a complex carve-out sale by way of legal demerger of one of its divisions to a private equity backed purchaser
